

a) Value of work - influences

Financial earnings = ↑ earning, ↑ value.

Type of work = full-time / part-time over casual (security / entitlements)

Paid / unpaid = greater value on paid

Qualifications = uni degree ↑ greater value than little training

Societal Att. + beliefs = what's acceptable. Hollywood over adu.

↑ FT
engineer
n100th
Scientist
doctor
CEO
acc.

b) Gendered nature of Paid / Unpaid:

↑ PIT
Secretary
carer
teacher
nurse.

Paid - more men (72%) than women (57%) in paid job types.
32 hrs vs 17 hrs.

Unpaid - more women (37 hr) than men (20 hr).
indoor cooking/cleaning vs outdoor maintenance repairs mowing - stereotypical

more women volunteer than men.

- fundraising
- teaching / training
- food prep

- volunteer sport
- coaching
- refereeing
- emergency
